

**Chemistry**  
**Chapter 8 Vocabulary**

**Patterns of atomic size**

**Patterns of ionic size**

**Positive ions**

**Negative ions**

**Alkali metals**

**Alkaline-earth metals**

**Group 13**

**Group 14**

**Group 15**

**Group 16**

**Group 17**

**Group 18**

**Transition elements**

**Atomic size of transition elements**

**Iron triad**

**Platinum group**

**Coinage metals**

**Inner transition elements**

**Lanthanides**

**Actinides**
